

Asphalt Emulsion Technologies Workshop

November 2 - 3, 2010
Sheraton Fallsview - Niagara Falls, Ontario, Canada

Presented by the
Asphalt Emulsion Manufacturers Association

www.aema.org

*Supported in part by your
Ontario Emulsion Manufacturers
McAsphalt Industries Ltd., Norjohn Limited &
Coco Asphalt Engineering*

WHAT IS THE ASPHALT EMULSION TECHNOLOGIES WORKSHOP?

The Asphalt Emulsion Technologies Workshop is a two-day conference focusing on enhancing knowledge of emulsion properties and applications. History teaches that change is the catalyst for learning and innovation. Today, the asphalt industry is experiencing unprecedented change. AEMA knows that agencies are seeking solutions to new challenges created by this change and that emulsion science plays a major role in the solutions.

AEMA encourages all AEMA members, and non-members who are contractors, manufacturers, engineers, consultants and government agencies to attend this valuable conference. Register now! We look forward to seeing you!

PRELIMINARY PROGRAM

(subject to change without notice)
