Asphalt Emulsion Manufacturers

Elect Barry Baughman 2008-2009 President

During its recent 35th Annual Meeting held in San Jose del Cabo, Mexico, the membership of the Asphalt Emulsion Manufacturers Association (AEMA) elected Barry Baughman to the office of President, for the 2008-2009 term. Baughman is Technical Director of ULTRAPAVE Corp., Inc., based in Dalton, Georgia. A member of the AEMA Board of Directors since 2000, Baughman has previously served in the positions of Secretary/Treasurer, Vice President, and Annual Meeting Program Chairman. A native of Abbeville, SC, he obtained his BS Chemistry Degree at Presbyterian College in Clinton, SC, and started working in the asphalt industry in 1981. He worked for Koch Materials Company for 15 years as Technical Manger for various paving regions, the Recreational Coatings Group, and the Building Products Group. He left Koch in 1996 for a short stint with BASF as their Global Technical Manager for Asphalt Modification. In 1999 Barry joined Textile Rubber & Chemical Company as the Technical Manager of Research and Development for the ULTRAPAVE group. Now Technical Director for ULTRAPAVE, Barry is currently active in AEMA, AAPT, AI, ASTM, AASHTO, TRB, the American Chemical Society, SEAUPG, CA Chip Seal Association and various other industry organizations. Parents of two daughters, Lauren and Sally, Baughman and his wife Laurette reside Dalton, GA.

Other 2008-2009 officers elected were: Vice President Francois Chaignon – Colas, Inc., Morristown, NJ; and Secretary/Treasurer, Bucky Brooks – Asphalt Materials, Inc., Oregon, Ohio. AEMA's Immediate Past President is Bob Koleas, of Western Emulsions, Inc., Dana Point, California.

Directors elected for the term include: Brian Majeska, SemMaterials, L.P., Tulsa, Oklahoma; Mark McCollough, Missouri Petroleum, St. Louis, Missouri; Archie Reynolds, Norjohn, Ltd., Burlington, Ontario, Canada; Mark Ishee, Ergon Asphalt & Emulsions Inc., Jackson, Mississippi; and Mark Smith, Vance Brothers, Inc., Kansas City, Missouri. Chris Lubbers, BASF Corp., Charlotte, North Carolina, serves as Supplier Member Representative and Jean Claude Roffe, Colas, France, will serve as International Member Representative. Arlis Kadrmas, SemMaterials, L.P., Tulsa, Oklahoma, was appointed Chairman of AEMA's International Technical Committee

A complete list of the 2008 – 2009 AEMA Board of Directors and Committee Chairmen is attached.

The Asphalt Emulsion Manufacturers Association is a non-profit trade association of contractors, equipment manufacturers, suppliers, public officials, and engineers engaged in the recycling and reclaiming of asphalt, using the economies of recycling to rebuild a stronger and safer network of highways, streets and roads across the country and around the world.
